

# Medical Students on the Move

The MSM Project Proposal  
A follow-up initiative to the CHARME Project

Stockholm  
March 22-23, 2010  
Karel Van Liempt

# Background

- Berlin (Oct. 07) & Rome (Jan. 08) Meetings
- CHARME Project submitted Feb. 08
- CHARME contract Oct. 08 - Sept. 10
- Budapest Meeting (May 09)
- CHARME Final Meeting Berlin (Sept. 10)

# What's Next?

- Further networking among a small group of medical faculties (cfr. Group of 8 idea, mission statement,...)
- Need for concrete initiatives & follow-up to CHARME
- MSM Project Proposal

# MS M Project Details

- LLP - Erasmus Accompanying Measures
- Submitted 26 February 2010
- Budget: EUR 174.553
- Grant Requested: EUR 130.912
- Project Duration: 12 Months
- Core & Associate Partners

# Aims & Objectives

- Increase student & staff mobility figures among medical faculties /schools
- Identify mobility highways through curriculum mapping
- Tackle the obstacles (beyond ECTS ) to medical mobility

# Project Outputs

- Preparation of a workshop for programme directors (new actors /players involved)
- Running the workshop in Antwerp
- Drafting of a methodology for increased mobility and recommendations on how to deal with existing obstacles
- Dissemination (web, flyer, final info session, GA presentations,...)
- Valorisation (putting theory into practice)

# Group Discussion

- Project Evaluation Results (expected summer 2010)
- Project Start (Autumn 2010)
- CHARME Partners Involvement
- Feedback from meeting participants
- Other ideas, initiatives ...
