

Call for Posters: Potsdam Days on Bioanalysis 2015

This year the “**Potsdam Days on Bioanalysis 2015**” connect the “International Technology Forum on *In vitro*-Diagnostics and Regenerative Medicine” and the “Potsdam Colloquium on Bioanalysis”. The conference will be accompanied by a **poster exhibition**. We would like to invite you for submitting your posters!

The topics of interest include but are not limited to the following:

“International Technology Forum on *In vitro*-Diagnostics and Regenerative Medicine” (November 4th)

- “Diagnostics and Immunotherapy”
- “Diagnostics and Transplantation Medicine”,
- “Development of Non-Clinical Assays for ATMP”

“Potsdam Colloquium on Bioanalysis” (November 5th)

- “Biophotonics”
- “Point-of-care Testing-Infectious Diseases”
- “Mobile-Health & Diagnostics”

If you are interested, please send us **abstracts, names and institutions of the authors, the poster’s title**, and your **contact details** until October 23th.

Please note, that the available exhibition space is limited.

Join our event and get in touch with experts from science and industry. The event is free of charge. For further information and registration please visit our homepage:
<https://www.b2match.eu/potsdamdays-bioanalysis2015>

We would be pleased if you announce this event in your research institute or share it with interested colleagues.

Best regards
